Name of Mentor at Host Institution: Prof. Ungar Laszlo

Position at Host Institution: Head of the Gynecological oncology team

Institution (full address): Duna Medical Center, Budapest, Lechner Ödön fasor 7, 1095 Hungary.

Email: laszlo.ungar@googlemail.com

Dates of Fellowship: first 3 months: 1 July 2017- 1 October 2017

Detailed description on Teaching received:

During My fellowship, I participated in extreme gynecological oncology surgeries, including- weekly exenterations with pelvic sidewall involvement, ART (abdominal radical trachelectomy) in pregnancy (one case of 22 weeks pregnancy is to be presented in Kyoto 2018), weekly radical hysterectomy and ovarian cancer surgeries. I practiced surgical techniques by laparotomy and by laparoscopy under the Guidance of Dr. Palvavi Laszo and prof. Ungar Laszlo in Budapest, and Prof. Mihai Capilna in Tirgu Mures- Romania.

I took part in research and data collection of surgical procedures made by Prof. ungar.

I visited several hospitals and participated in the work of the team:

Duna Medical center Budapest

Uzsoki Hospital Budapest

Jaun Ference Del Pesti Hospital Budapest

The Second department of OBGYN Budapest

Peterfi Hospital Budapest

St. Istvan Hospital Budapest

Tirgu Mures emergency Hospital Romania

Goals accomplished :

1. Observing and participating in Radical Gynecological Oncology Surgeries.
2. Participating in Gynecological Oncology Research
3. Managing Gynecological Oncology patients

Achievement in clinical practice:

1. Mastering the radical Hysterectomy surgery
2. Mastering the radical trachelectomy surgery
3. Acquainting to the total exenteration surgery.

Presentations eg. at seminar or meetings:

1. ESGO 2017- Presenting 3 posters.
2. Cervical cancer Histology and Pathology meeting- Gyor Hungary.
3. Colposcopy Biannual course in Israel.

Research performed and outcome:

We are currently collecting Data of exenteration patient to publish 15 years survival

Publications:

Video presentation in the IVW 2018 conference

Problems encountered with a critical evaluation of the fellowship experience as a whole:

Non

Future plan on returning to home:

I'm intended to finish a year in Budapest under the guidance of Prof. Ungar.

With his help, I'm intended to visit:

- a. Prof. Mihai Capilna in Tirgu mures Romania (2 weeks)
- b. Prof Alexander Reinthaller in Vienna Austria (1 week)
- c. Prof. C. Köhler Hamburg Germany (1 week)
- d. Prof A. Du Bois in Essen Germany (4 months)

Overall evaluation and comment of the fellowship:

I would recommend this fellowship program for anyone who is interested in becoming the best
Gynecological Oncology Surgeon
