**Detailed description on Teaching received:**

I have achieved the aims of my fellowship in the ESSEN.

I attended all clinical activities, including assistance at all surgical procedures.

I assisted both open and endoscopic surgery.

I attended tumor boards.

I had opportunity for academic discussion with Dr. Harter and Dr. Ataseven.

And also, I have engaged in discussions and planning future collaborations between our institution and Kliniken ESSEN mitte.

**Goals accomplished:**

- Advanced surgical technics
- Knowledge of multicenter clinical trial
- Designing multi-centre clinical trial
- Preoperative and postoperative care
- Follow up for gynecologic cancer patients
- Planning of adjuvant treatment

**Achievement in clinical practice:**

- I had opportunity to join all the operation.
- I attended the clinic visits and tumor board
- Planning adjuvant treatment
- Preoperative work-up

**Presentations eg. at seminar or meetings:****Research performed and outcome:****Publications:****Problems encountered with a critical evaluation of the fellowship experience as a whole:**

No problem. The team at Kliniken Essen Mitte was extremely helpful. I was very impressed with surgical and academic skills of Dr. Harter and Dr. Ataseven. I would recommend this centre for fellowship programme.

**Future plan on returning to home:**

I would like to plan multicenter studies with Kliniken ESSEN Mitte.  
And also, I will teach the surgical skills to my colleagues which I gained at Essen.

**Overall evaluation and comment of the fellowship:**

I had a very useful fellowship program. And I would like to thank ESGO for supporting me for this very academic and educational visit.
