Position at Host Institution: Professor

Institution (full address): Charite Universitatmedizin Berlin

Email: jalid.sehouli@charite.de

**Dates of Fellowship: 1-10-19 / 29-11-19**

### **Detailed description on Teaching received:**

laparoscopic paraaortic lymphadenectomy

nuances in ovarian cancer surgery

management of a ovarian cancer

### **Goals accomplished :**

new technique of peritonectomy by doctor Muallem Zelal

a new perspective of management an ovarian cancer

more experience of management a gynecologic cancer especially upper abdomen

### **Achievement in clinical practice:**

I have been in a lot of gynecologic cancer operation and assistant Charite team

**Presentations eg. at seminar or meetings:**

I have been in a meeting about uterin sarcoma at 16.11.19 Saturday

I have been in every morning conference

**Research performed and outcome:**

We don't make any research together

**Publications:**

We don't make any research together

**Problems encountered with a critical evaluation of the fellowship experience as a whole:**

Team was kind.

Especially Professor J. Sehouli, Muallem Zelal, K. Pitzner and Gülhan İnci were hospitable and

I was happy because know about them.

It was a great experience for me.

**Future plan on returning to home:**

I want to improve my skills with this new perspective that I have now.

I can share doctor Zelal's new technique with my collages in Turkey.

I want to invite Charite team to İstanbul with my mentors for a workshop.

**Overall evaluation and comment of the fellowship:**

**I am glad and I appreciate your help for this experience.**
