

APPLICATION FORM FOR the NATIONAL REPRESENTATIVE OF ALBANIA

Name:	Elko
Last Name:	Gliozheni
Country:	ALBANIA
Hospital:	Maternity Koco Gliozheni, Tirana
Current position:	Gyn-Obst

Dear colleagues

I am interested in continuing our collaboration as a national representative of Albania.

These past few years have been a very interesting experience in collaboration with ENYGO amongst colleagues.

I have been part of this team for a few years now already and i have found this experience to be very interesting and enlightening. I am working actually as an obstetrician and gynaecologist at the University Hospital of Tirana 'Koco Gliozheni'. I have started working there since February 2019. Before that, I attended a fellowship program in Port Royal Maternity in Paris France which lasted 1 year. Before that i was a fellow in the same Maternity where I am working now.

I find great interest in doing research and being up to date with the latest publications about topics i am interested in. Thus, this would be a great opportunity for me.

I thank you for your time and look forward to hearing from you.

Sincerely

Elko Gliozheni
