

APPLICATION FORM FOR the NATIONAL REPRESENTATIVE OF NORTH MACEDONIA

First name:	Natasha
Last name:	Nikolova
Country:	North Macedonia
Hospital:	General Hospital Kocani
Department:	Department of Obstetrics and Gynaecology
Current position:	specialist in Ob/Gyn, PhD Student

Dear colleagues,

My name is Natasha Nikolova and I am a specialist in Ob/ Gyn from North Macedonia. Since 2010 I am an active ENYGO and ESGO member and since 2019 I am ENYGO NATREP for North Macedonia. Hereby I would like to apply for re-election on the open call for national representatives in ENYGO.

In all past years I was actively participated in many of ENYGO and ESGO activities. I was serving as one of the LIFE authors and worked on several ENYGO surveys. Back in 2012 together with my colleagues in Skopje I was one of the organisers of the ENYGO TTT-Workshop.

If re-elected for a national representative of North Macedonia, I will continue working on ENYGO projects, promote them in my country and contribute for a collaboration of our young professionals with the colleagues from all over Europe. It will help us to get closely in touch with new clinical and research achievements in the field of gynaecological oncology.

Thank you very much in advance for your trust and support.

Sincerely Yours,

Natasha Nikolova, MD, PhD(c)
