

APPLICATION FORM FOR the NATIONAL REPRESENTATIVE OF SWITZERLAND

First name:	Nicolas
Last name:	Samartzis
Country:	Switzerland
Hospital:	District Hospital Schaffhausen
Department:	Gynaecology and Obstetrics
Current position:	Senior doctor

Dear ENYGO and ESGO members,

I am a Fellow in Surgical Gynaecology at the District Hospital Schaffhausen and have been working as NATREP of Switzerland at ENYGO since 2019.

It has been my great honour to be an active part of ENYGO and to participate in its various activities such as LiFE reports, masterclasses, workshops and international surveys. I strongly believe that ENYGO will increasingly improve the training of gynaecologic oncologists in Europe and help to open up to areas such as robotic surgery. I would be very happy to represent the young generation of gynaecologic oncologists of Switzerland for another period of 2 years.

Sincerely, Nicolas Samartzis
