<b>Current position:</b>	<b>Senior Consultant Gynecologic Oncologist</b>

Dear ESGO/ENYGO Team,

I would like to express my sincere interest in the position of the National Representative (NATREP) of Turkey. During the last two years, I've acted as NATREP of my country and shaped a bridge between European and Turkish gynecologic oncologists. I've tried my best to increase number of physicians attending to ENYGO activities. Several centers and physicians from Turkey were accredited by ESGO in the last two years.

As a candidate of NATREP of Turkey, my main goal is improving education and training and establishing partnership via ENYGO in my country. I am highly determined to do my best as the representative of my country.

Kind regards,

Ilker Kahramanoglu, M.D.
