JOANNA KACPERCZYK-BARTNIK, POLAND

ELECTIONS FOR THE ENYGO EXECUTIVE GROUP 2021-2025

Name: Joanna

Last name: Kacperczyk-Bartnik

Country: Poland

Hospital: II Department of Obstetrics and Gynecology, Medical
University of Warsaw

Motivation Statement: max 250 words)

Due to multiple opportunities created by ENYGO for young doctors I could learn a lot during participation in various projects, including preparation of a Report from the ESGO 2020 State-of-the-Art Virtual Congress, coordinating Sexual Counselling of Women with Gynecologic Malignancies ENYGO Survey Study, completing ENYGO-IJGC Editorial Fellowship, running group activities during ENYGO - IJGC Scientific Writing and Publication Online Course. I am also an active member of ENGAGE Sexual Health Working Group, ENYGO Scientific Committee, ENYGO Social Media Committee, Early Career IJGC Editorial Board, and an author of ENYGO LiFE Report on gestational trophoblastic disease. I am very grateful for every opportunity and would like to give back and contribute with my experience to further works within the ENYGO structures.
