

CANDIDATE PROFILE

FABIO MARTINELLI, Italy

ELECTIONS FOR THE ENYGO EXECUTIVE GROUP 2021-2025

Name: Fabio

Last name: Martinelli

Country: Italy

Hospital: IRCCS Foundation - National Cancer Institute of
Milan – Italy

Motivation Statement:

Dear colleagues,

My name is Fabio Martinelli and I am an ESGO certified European Gynaecological Oncologist in a country where there is no formal gyn-onc fellowship (Italy). I work at the Department of Gynaecologic Oncology at IRCCS Foundation - National Cancer Institute of Milan – Italy. During my training I had the opportunity to attend at MD Anderson Cancer Center, at Kliniken-Essen-Mitte and at the Universidad Autonoma of Madrid. I am an Editorial Board Member of the International Journal of Gynecological Cancer, the official journal of the IGCS and ESGO. I strongly believe in international collaborations and cooperations in the aim to grow a huge community of gynaecologists, oncologists, radiation oncologists, pathologists, surgical oncologists, researchers, nurses and all people dealing with gyn-onc. I believe in networking across the globe, without any barriers, for a 2.0 medicine, in the aim to share knowledge and offer the patients the best care. I'd like to contribute in the ENYGO/ESGO educational and updating mission to put the bases for the next generation specialists in gynaecologic oncology. I'd also like to promote and facilitate national and international internships/fellowships to improve the education and skills of all the participants. I think that being active part of the ENYGO/ESGO is an exceptional opportunity to widen this vision of a global (not just European) community fighting women's cancers. I hope that my vision and my age could act as a bridge between "giants" in Gyn-onc and the next generation of physicians/researchers/nurses, that will study, prevent and fight women's cancers.

Thank you for your kind support.

Fabio Martinelli
